PROJECT OBJECTIVES

- 1) Support the sports organisations and sports clubs into the recovery from the Covid-19 pandemic through strategies and best practices on improving the knowledge and operational skills of volunteers.
- 2) Creation of a European network to facilitate the possibility for increasing the exposure of volunteering opportunities in sports organisations for young adults and promote career development for the projects' young adult target in the sports field.
- 3) Fostering professional quality, attractiveness and operational results of grassroots Sport organisations and development of quality professionalism of staff and volunteers through Non-Formal Education and e-learning.
